

North Carolina is set to receive **\$1.6 billion** from the national opioid settlements, with **85%** of these funds going directly to local governments. Before spending any opioid settlement dollars, local governments must approve and share spending plans with details on strategies they intend to fund. **Exhibit A strategies** are high-impact strategies that address the opioid overdose epidemic. **Exhibit B strategies** are from the national settlement agreements and are available once a local government first engages in a **Collaborative Strategic Planning process**. Local governments must report annually to CORE-NC on opioid settlement funds received and spent, along with the impact of those funds. Below is a summary for this community.
